

"Up On The Roof Gala" Saturday, August 20

The Logansport Memorial Hospital Foundation will be hosting our third "Up On The Roof Gala" Saturday, August 20, on the upper parking deck at Logansport Memorial Hospital. The event will begin at 5:30 pm with instrumental music provided by Ned Boyd during registration and the social hour. The evening includes live entertainment from the Indianapolis-based band The DOO!, who will bring a blend of elegance and energy for a fun night of dancing under the stars.

This signature event for allows the Logansport Memorial Hospital Foundation to put the FUN in fundraising. In addition to dinner and dancing, LMHF will be asking for your generous support in helping fund support renovations to our surgery department. These renovations will enhance the patients experience across the board and will improve the work flow for staff.

If you have any questions or would like more information, please contact Vicki Byrd at (574)753-1414 or email vbyrd@logansportmemorial.org.

NEW BOARD MEMBER

Our newest board member Lora Redweick, grew up and continues to live in the vibrant and active Twelve Mile community. Lora has been a licensed cosmetologist for 36 years and has owned her business since 2000. Along with the LMHF Board, she serves on the LMH Board of Trustees and is member of the Community Investment Committee for the United Way.

"I have been active in our local county government over the years. I feel that it is important to have a better understanding of the process in which decisions are made. In order for our community to continue to prosper, we need to offer whatever services that we can to achieve those goals. I am looking forward in being a part of the LMH family and I am excited to become a member of the Foundation Board's legacy which will continue to contribute in reaching their goals which have surrounded the community both in and out of the hospital facility that has been making a positive impact that has been proven to benefit so many lives."

Please join us in welcoming Lora to the Logansport Memorial Hospital Foundation.
