

Community Assistance Policy

PLAIN LANGUAGE SUMMARY

This plain language summary is being provided to you to help explain Logansport Memorial Hospital's Community Assistance Policy. It summarizes eligibility requirements for assistance and provides contact information so that you can obtain further information regarding the policy or apply for community assistance.

Do I qualify?

Patients whose family income does not exceed four times the Federal Poverty Guidelines may be eligible for community assistance. Certain family household income and number in household is considered in making the determination for eligibility under the Community Assistance Policy. Patients must complete a Community Assistance Application in order to be considered under Logansport Memorial's Community Assistance Program.

How do I obtain more information?

The Community Assistance Policy and the Community Assistance Application provide more detailed information regarding eligibility and the application process, and are available on the hospital website or by sending a written request to:

Attn: Financial Counselors
Logansport Memorial Hospital
1101 Michigan Avenue
Logansport, IN 46947

LMH website: www.LogansportMemorial.org

The Community Assistance Policy and the Community Assistance Application are also available by calling the Financial Counselors at (574) 753-1371 or (574) 753-1577, or by visiting the Cashier Office between 7 am and 4:30 pm Monday—Friday.
