

All patients and visitors will be required to wear a mask, practice social distancing, and practice good hand hygiene. Patients and visitors will self-screen at one of the designated entrances using the scanner provided.

Visitors must be healthy—with no fever or other signs/symptoms of illness.

- Visiting hours are based on patient preference.
- Visitor restrictions may be made at the discretion of physicians/ nursing staff, based on patient needs and space limitations.
- If a patient is in isolation, please see a nurse before entering.
