Why Choose Logansport Memorial Hospital

Deliver your newborn at the best Baby-Friendly hospital in north central Indiana

Logansport Memorial Hospital's Family Birth Center provides optimal prenatal care to every patient. Our staff and doctors will help you and your family plan during every step of your pregnancy journey so you feel prepared for childbirth and taking care of your new baby.

We serve Cass County and the surrounding communities by offering high quality, cost-effective maternal and neonatal services in a supportive, compassionate and family-centered environment.

The Family Birth Center has five labor, delivery and recovery rooms, a Cesarean section suite, a level II nursery, and eight private postpartum suites.

Get the best care—before, during, and after pregnancy

For supportive, comprehensive, and Baby-Friendly guidance and treatment during your pregnancy and beyond, choose the team at Logansport Memorial Hospital.
