

# FUND DESCRIPTIONS

<b>Unrestricted Fund</b>	Allows the Logansport Memorial Hospital Foundation to financially support programs and projects where the need is greatest.
<b>Capital Projects Fund</b>	Established for the purpose of funding major hospital purchases and renovations.
<b>Cardiac Rehab Scholarship Fund</b>	Provides financial assistance for uninsured and/or under-insured patients in need of cardiac rehab services.
<b>Charitable Services Fund</b>	Created to reduce the incidence of unnecessary repeat admissions. Utilized on an emergency basis to provide financial assistance in purchasing prescription drugs and/or other necessary medical products for patients in need.
<b>Chapel Fund</b>	Provides resources for the refurbishing and replacement of Chapel furnishings.
<b>Diabetes Education Fund</b>	Supports the cost of providing educational programs for diabetic patients and their families. Patients in need may also be given a scholarship to offset the cost of attending the educational programming.
<b>Education Fund</b>	Awards scholarships for Cass County students pursuing careers in healthcare. Also awards employee scholarships and financially supports health and wellness programming for local schools and/or the community at-large.
<b>Employee Crisis Fund</b>	Allows LMH employees to receive assistance, if they are faced with a crisis situation.
<b>Equipment and Technology Fund</b>	Enables the purchase of medical equipment or technology that supports patient care activities and healthcare services provided by Logansport Memorial Hospital.
<b>Trail Maintenance Fund</b>	Provides funding for the enhancement and maintenance of the River Bluff Trail, the Hervey Preserve, and the Huston Connector Trail.
